I Wish You'd Stay by Brad Paisley

I talked to my sister in Memphis
And I told her you were movin' to town
Here's her number
She said she'd be (1)_____ to show you around
I left a map on your front seat
Just in case you lose your way
But don't worry, once you reach Saddlesong
It's all interstate
I know you need to go
But before you do I want you to know
That I wish you the best
And I (2)_____ you nothing less
Than every thing you've ever dreamed of
And I hope (3)_____ you find love along the way
But most of all
I wish you'd stay
I figure right (4)_____ sundown
You'll be in West Tennessee
And by then
Maybe I'll understand why you had to leave

I know that you've done some changin'
And I know there's no changin' your mind
And yes I know
We've been through this a thousand times
And I'm sorry for still holdin' on
I'll try to let go and I'll try to be strong
And I wish you the best
And I (5)_____ you nothing less
Than every thing you've ever (6)_____ of
And I (7)_____ that you find love (8)_____ the
way
But most of all
I wish you'd stay
Yes, everything you've ever (9)_____ of
And I hope that you'll find love along the way
But most of all
I wish you'd stay
