

Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And this song is called)

(The world (1)_____ on)

The thermometer ran out of numbers

When it (2)_____ 50 degrees

I just lay down on the floor

With a bag of frozen peas

We saw (3)_____ of smoke rising

In the distance from our balcony

I poured a glass of wine

Sucked the juice out of a kiwi

Catherine turned on the TV

They showed acres after acres

Of absolutely nothing

And then Stevie called and said

Are you watching what I'm watching?

I (4)_____ I'm watching (5)_____ you're watching

But what is it I'm watching?

The night before I had been bored

And my legs had been restless

It was my birthday

I'd already opened up my presents

At the social club, I met some friends

Who were friends (6)_____ (7)_____ girl

One by one they (8)_____ off

Till it was just me and her

We made out in every bar in town

While the state of Victoria

Burned down to the ground

And the sun rose over the city

Fill in the gaps

The wind swept through the valley

And you don't get over a (9)_____ heart

You just learn to carry it gracefully

The (10)_____ Gardens offered

Some kind of shade

I would pick up some beers

And head down there late

Watch the possums and listen

To their (11)_____ banter

There was one I liked especially

I named her Sam as in Samantha

I offered a slice of apple from my hand

She would sniff it, frown

And then lumber (12)_____ to the trash can

I was going uphill on my Malvern Star

When I was passed by a scooter

You got a dollar or a cigarette?

Hey, I'm (13)_____ to you, poofter

What I should have said was nothing

What I said was "get lost"

Next time I'm upside-down with my bike in the dust

Spitting dirt all the way home

Cursing the very ground that I was chewing on

And the sun rose (14)_____ the city

The wind swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully

And that's what it's like

When you've had (15)_____ heart broken

The world just shrugs its shoulders

Fill in the gaps

And gets going

It just moves on in all its (16)_____ and glory

Over (17)_____ with a friend

I tell her my story

And as I finally put the book

Back on the shelf

She says

Maybe it's time you take a look at yourself

No one's born an *****

It takes a lot of hard work

But God knows I've worked my ass off

To be a jerk

So many (18)_____ I've held

While wondering why I felt nothing

And why, when I let go of that hand

I always (19)_____ to feel something

And like a (20)_____ smashed against my head

She'd say

I wish you (21)_____ would've (22)_____ on me instead

And loving without loving

Is always the (23)_____ crime

I know all the signs and signals

'Cause now I've been on both sides

The way you choose your words

The limpness of your hand

I almost died when you introduced me as a friend

How can you call me a friend?

If you don't love me

Then please have the dignity to (24)_____ me

But I never said any of that

Fill in the gaps

I just (25)_____ that hand

And looked (26)_____ at the doormat

The sun rose (27)_____ the city

The wind swept through the valley

And you don't get over a broken heart

You just (28)_____ to carry it gracefully
