Figure 8 by Ellie Goulding

Breathe your smoke (1)_____ my lungs

In the (2)_____ of the car with you I stare (3)_____ the sun

Still not too old to die young

The lovers hold on to everything

And others hold on to anything

I chased (4)_____ love around a figure eight

I need you more (5)_____ I can take

You promised (6)_____ and a day

And then you (7)_____ it all away

(Way, way, way)

And then you (8)_____ it all away

(Way, way, way, way)

Place a kiss on my cheekbone

Then you vanish me, I'm buried in the snow

But something tells me I'm not alone

But (9)_____ hold on to everything

And (10)_____ hold on to anything

I chased your love around a (11)_____ eight

I need you more than I can take

You promised forever and a day

And then you take it all away

(Way, way, way)

And then you take it all away

(Way, way, way, way, way)

So lovers hold on to everything

And others (12)_____ to anything

So (13)_____ hold on to everything

And (14)_____ hold to anything

I (15)_____ your love around a figure eight

I need you more (16)_____ I can take

You promised forever and a day

And then you take it all away

I (17)_____ your (18)_____ around a

(19)_____ eight

I need you more (20)_____ I can take

You promised forever and a day

And then you (21)_____ it all away

(Way, way, way, way, way...)

And then you take it all away

(Way way, way, way)
