Figure 8 by Ellie Goulding

Breathe your smoke into my lungs
In the back of the car with you I stare (1)_____ the sun
Still not too old to die young
The lovers hold on to everything
And others hold on to anything
I chased (2)_____ (3)_____ around a figure eight
I (4)_____ you more than I can take
You promised forever and a day
And (5)_____ you take it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way)
Place a kiss on my cheekbone
Then you vanish me, I'm buried in the snow
But something tells me I'm not alone
But lovers hold on to everything
And others hold on to anything
I chased (6)_____ love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away

(Way, way, way)
And then you take it all away
(Way, way, way, way, way)
So lovers hold on to everything
And others hold to anything
So lovers hold on to everything
And others hold to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
I chased your (7)_____ around a figure eight
I need you more than I can take
You (8)_____ forever and a day
And then you take it all away
(Way, way, way, way, way...)
And then you take it all away
(Way way, way, way)
