

Fill in the gaps

5 Years Time by Noah and the Whale

Well in five years time we could be walking (1)_____ the zoo

With the sun shining down over me and you

And there'll be love in the bodies of the elephant's too

I'll put my hands over your eyes, but you peek through

And there'll be sun, sun, sun

All (2)_____ our bodies, and sun, sun, sun

All down our necks there'll be sun, sun, sun

All over our faces and sun, sun, sun

So, what the heck

'cause I'll be laughing at your silly little jokes

And we'll be (3)_____ about how we used to smoke

All those stupid (4)_____ cigarretes and drink stupid wine

'Cause it's what we needed to have a good time

But it was fun, fun, fun

When we (5)_____ drinking, it was fun, fun, fun

When we were drunk and it was fun, fun, fun

When we were laughing, it was fun, fun, fun

Oh, it was fun

Oh, well I'll look at you and say

It's the happiest that I've ever been

And I'll say I no longer feel, I have to be James Dean

And she'll say, yeah well I feel all pretty happy too

And I'm always pretty happy

When I'm just kicking back with you

And it'll be love, love, love, all through our bodies

And love, love, love, all through our minds

And it'll be love, love, love, all over her face

And love, love, love, all (6)_____ mine

And (7)_____ merely all these moments

Are just in my head

I'll be thinking (8)_____ them as I'm lying in bed

And I know that it merely, (9)_____ might not even come true

But in my mind I'm having a pretty good time (10)_____ you

Oh in five years time

I might not know you

In five years time

We might not speak

In five years time

We might not get along

In five years time

You might just prove me wrong

Oh there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love, love, love

Wherever you go there'll be love

Answer

1. round
