### Time Is Ticking Out by The Cranberries

We'd better think about the things we say
We'd better think about the games we play
The world went round, (1) and round
We'd (2) think about the consequences
We'd (3) think about the global senses
The time went out, the (4) went out
What about Chernobyl?
What about radiation?
We don't know, we don't know
What about deprivation?
Gluttony, the (5) nation?
We don't know, we don't know
For me love is all, for me love is all
For me love is all, for me love is all
Time is (6) out
Time is (6) out  Looks like we screwed up the (7) layer
Looks like we screwed up the (7) layer
Looks like we screwed up the (7) layer  I wonder if the politicians care
Looks like we screwed up the (7) layer  I wonder if the politicians care  And (8) went out, and time went out
Looks like we screwed up the (7) layer  I wonder if the politicians care  And (8) went out, and time went out  What about our children then?
Looks like we screwed up the (7) layer  I wonder if the politicians care  And (8) went out, and time went out  What about our children then?  Is there nothing left for them?
Looks like we screwed up the (7) layer  I wonder if the politicians care  And (8) went out, and time went out  What about our children then?  Is there nothing left for them?  We don't know, we don't know
Looks like we screwed up the (7) layer  I wonder if the politicians care  And (8) went out, and time went out  What about our children then?  Is there nothing left for them?  We don't know, we don't know  For me love is all, for me love is all

We don't know, we don't know  For me love is all, for me love is all  For me (9) is all, for me love is all  (Ah ah ah) They need oxygen
