I Know You Care by Ellie Goulding

Clinging to me

Like a last breath you would breathe

You were like (1)_____ to me

I don't recognize this street

Please don't close your eyes

Don't know where to look without them

Outside the cars speed by

I've never heard them until now

I know you care

I know it is always been there

But (2)_____ is trouble ahead I can feel it

You were just saving yourself when you hide it

Yeah, I know you care

I see it in the way you stare

As if there was trouble ahead and you knew it

I'll be saving myself from the ruin

And I know you care

I (3)_____ to run down the stairs

To the (4)_____ and I thought you (5)_____ there

To shape to the comfort of us

Two lovers locked out of love

But I know you care

I know it is always been there

But (6)_____ is trouble ahead I can feel it

You were just (7)_____ yourself when you hide it

Yeah, I know you care

I see it in the way that you stare

As if (8)_____ was trouble ahead and you knew it

I'll be saving myself from the ruin

I know it wasn't always wrong

But I've never known a (9)_____ so cold

No, I don't warm my hands in your coat

But I still hope

'Cause this is how things ought to have been

And I know the (10)_____ are there

Wasn't all that it seemed, why can't I dream

Why can't I dream

'Cause I know you care

And I know you care

I know you care

I know you care

I know it's always been there
