I used to think that I wasn't (1) enough	Never knew what I was missing
And I used to think that I wasn't wild enough	But I knew once we start kissing
But I won't waste my time trying to figure out	I found
Why you playing games, what's this all about	I found you
And I can't believe you're hurting me	(Who would have known)
I met your girl, what a difference	I'd find you
What you see in her you ain't (2) in me	(Who)
But I guess it was all (3) make believe	Now you're gone, what am I (7) do
Oh, love	So empty my heart, my soul can't go on
Never knew what I was missing	Go on, baby, without you
But I knew once we start kissing	Rainy days fade away
I found	When you come around say you're (8) to stay
Love	With me boy I don't want you to leave me
Never knew what I was missing	I need you (love)
But I knew once we start kissing	Never knew what I was missing (I never knew)
But I knew once we start kissing I found	Never knew what I was missing (I never knew) But I knew (9) we start kissing
