## If You Can't Ride Two Horses At Once You Should Get Out Of The Circus by Asking

Failure (1)	in my eyes!	And we can't live this way forever?	
I can't see through the tears in my eyes!		You said you'd run away!	
I can't breathe!		You (4) you'd run away	
I feel I failed!		You said you'd run away with me	
I was meant to make you smile!		You'd run away	
I was (2) to make you shine		That we'd escape from the ordinary!	
To make you shine!		That we'd escape from the world (5) tied us down!	
They said this could never happen!		That we'd escape from the ordinary!	
They (3) we could never be!		That we'd escape from the world that kept us apart!	
Are you telling me you listened?		So now this is over and the world (6)	upon me
I was meant to make you smile!		I never (7) to be here alone	
I was meant to make you shine!		The shadows are (8)	as we burst into
I was meant to make you smile!		flames	
I was meant to make you shine!		Why does (9) end (10)	way?
I was meant to make you smile!		Why does this end this way?	
I was meant to make you shine!			
So there's no you and me?
