Fill in the gaps

I Drove All Night by Cyndi Lauper

I had to escape

The city was sticky and cruel

Maybe I should have called you first

But I was dying to get to you

I was dreaming while I drove

The (1)_____ straight road ahead

Could (2)_____ your sweet kisses your arms open wide

This fever for you is just burning me up inside

I (3)_____ all night

To get to you

Is that alright

I drove all night

Crept in your room

Woke you from your sleep

To make love to you

Is that alright

I drove all night

What in this world

Keep us from tearing apart

No matter where I go I hear

The beating of your heart

I think about you when the night is cold and dark

No one can move me the way that you do

Nothing erases this feeling between me and you

I drove all night

To get to you

Is that alright

I drove all night

Crept in your room

Woke you from (4)_____ sleep

To make love to you

Is that alright

I drove all night

I (5)_____ (6)_____ sweet kisses your arms open wide

This fever for you is just burning me up inside
