

## Fill in the gaps

### Bad Day (Live) by Daniel Powter

Where is the moment we needed the most  
You kick up the leaves and the magic is lost  
You (1)\_\_\_\_\_ me your blue skies fade to grey  
You tell me your passion's gone away  
And I don't need no (2)\_\_\_\_\_ on  
You stand in the (3)\_\_\_\_\_ just to hit a new low  
You're faking a smile with the coffee to go  
You tell me your life's been way off line  
You're falling to pieces everytime  
And I don't need no carrying on  
Because you had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're coming back down and you really don't mind  
You had a bad day  
You had a bad day  
You need a blue sky holiday  
The point is (4)\_\_\_\_\_ laugh at what you say  
And I don't (5)\_\_\_\_\_ no carrying on  
You had a bad day  
You're taking one down  
You sing a sad song just to turn it around  
You say you don't know

You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
The camera don't lie  
You're (6)\_\_\_\_\_ back down and you really don't  
mind  
You had a bad day  
(Oh.. Holiday..)  
Sometimes the system goes on the blink  
And the whole thing turns out wrong  
You might not make it back and you know  
That you could be well oh (7)\_\_\_\_\_ strong  
And I'm not wrong...  
So where is the passion (8)\_\_\_\_\_ you need it the most  
(Oh) You and I  
You kick up the leaves and the magic is lost  
'Cause you had a bad day  
You're taking one down  
You sing a sad song (9)\_\_\_\_\_ to turn it around  
You say you don't know  
You tell me don't lie  
You work at a smile and you go for a ride  
You had a bad day  
You've seen what you like  
And how does it feel for one (10)\_\_\_\_\_ time  
You had a bad day  
You had a bad day
