I just wanna live

I need an alarm system in my house So I know when people are creeping about These people are freaking me out (these days) It's getting hectic everywhere that I go They won't leave me alone There's things they all wanna know I'm paranoid about the people I meet Why are they talking to me And why can't (1)\_\_\_\_ I just wanna live Don't really care (2)\_\_\_\_\_ the (3)\_\_\_\_ that they say Don't really care about what happens to me I just wanna live (Just wanna live, just wanna live, just wanna live) (Just wanna live, (4)\_\_\_\_\_ wanna live, just wanna live) I rock a law suit (5)\_\_\_\_\_ I'm going to court A white suit when I'm getting divorced The black suit at the funeral home And my birthday suit when I'm home alone Talking on the phone Got an interview with the Rolling Stone They're saying "Now you're rich and now you're famous" "Fake ass girls all know (6)\_\_\_\_\_ name and" "Lifestyles of the Rich and Famous" "Your first hit, are you ashamed?" Of the life, of the life, of the (7)\_\_\_\_\_ we're living I just wanna live

Don't really care about the things that they say Don't really care about what happens to me
