

## Fill in the gaps

### Love Like Winter by AFI

Warn you once to (1)\_\_\_\_\_ away  
Here it's December, everyday  
Press your lips to the sculptures  
And surely you'll (2)\_\_\_\_\_ (love (3)\_\_\_\_\_ winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From (4)\_\_\_\_\_ before  
She attails the mirror lace  
I barely dreamt her, yesterday (yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She said "It (5)\_\_\_\_\_ you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, before I was born  
She (6)\_\_\_\_\_ love, I taste the blood  
She bit my lip, and drank my warmth  
From years before  
From years before  
Love (7)\_\_\_\_\_ winter (Oh oh...)  
Love like winter, winter... 3...4...  
It's in the blood, it's in the blood  
I met my love, (8)\_\_\_\_\_ I was born  
He (9)\_\_\_\_\_ love, I (10)\_\_\_\_\_ the blood  
He bit my lip, and drank my warmth  
From years before  
From years before

**Fill in the gaps**
