Why does it feel like night today?
Something in here's not right today
Why am I so uptight today?
Paranoia's all I got left
I don't know what stressed me first
Or how the pressure was fed
But I know just what it feels like
To have a voice in the back of my head
It's like a face that I hold inside
A face (1) awakes when I close my eyes
A face watches every time I lie
A face that laughs every time I fall
(And watches everything)
So I know that when it's time to sink or swim
That the face inside is hearing me
Right beneath my skin
