

Fill in the gaps

All This And Heaven Too Good Quality by Florence + The Machine

And the heart is hard to translate
It has a language of its own
It talks and turns in quiet sighs
In prayers and proclamations
In the grand days of great men
And the smallest of gestures
In (1)_____ shallow gasps
But (2)_____ all my education
I can't seem to command it
And the words are all escaping
Coming (3)_____ all damaged
And I (4)_____ put them back in poetry
If I'd (5)_____ knew how
I can't seem to understand it
I would give all this and heaven too
I would give it all if (6)_____ for a moment
That I could just understand
The meaning of the word you see
'Cause I've (7)_____ (8)_____ it forever
But it never (9)_____ sense to me at all
And it talks to me in tiptoes
And it sings to me inside
It cries out in the darkest night
And breaks in the morning light
But with all my education
I can't (10)_____ to (11)_____ it
And the words are all escaping

Come back all damaged
I would put (12)_____ back in poetry
If I'd (13)_____ knew how
I can't seem to understand it
And I would give all this and heaven too
I (14)_____ (15)_____ it all if only for a moment
That I could just understand
The (16)_____ of the word you see
'Cause I've been scrawling it forever
But it (17)_____ (18)_____ sense to me at all
And I would (19)_____ all (20)_____ and heaven
too
I would give it all if only for a moment
That I could just understand
The meaning of the word you see
'Cause I've been scrawling it forever
But it (21)_____ makes (22)_____ to me at all
No words are language
It doesn't (23)_____ such treatment
And all my stumbling phrases (24)_____ amounted
To anything worth this feeling
All this heaven
Never could describe (25)_____ a (26)_____
as I'm in
Words were (27)_____ so useful
So I'm screaming out a language
That I never knew (28)_____ before

Fill in the gaps

Answer
