Fear Of The Dark by Iron Maiden

I am a man who walks alone
And when I'm walking a dark road
At night or strolling through the park
When the light begins to change
I sometimes feel a little strange
A little anxious when it's dark
Fear of the dark
Fear of the dark
I have constant fear that something's always near
Fear of the dark
Fear of the dark
I have a phobia that someone's always there
Have you run your fingers down the wall
And have you felt your (1)_____ skin crawl
When you're (2)_____ for the light?
Sometimes when you're scared to take a look
At the corner of the room
You've sensed (3)_____ something's watching you
Fear of the dark
Fear of the dark
I have constant fear that something's (4)_____ near
Fear of the dark
Fear of the dark
I have a (5)_____ that someone's always there
Have you ever been alone at night
Thought you heard footsteps behind
And (6)_____ around and no-one's there?
And as you quicken up your pace
You find it hard to look again
Because you're (7)_____ there's someone there

Debating witches and folklore
The unknown troubles on your mind
Maybe your mind is playing tricks
You sense and suddenly eyes fix
