## Fill in the gaps

Help, I (1) somebody
Help, not just anybody
Help, you know I need someone
Help!
When I was younger
So much younger than today (I never needed)
I never needed anybody's help in any way
(Now) But now these days are gone
(These days are gone) And I'm not so self assured
(I know I've found) Now I find I've changed my mind
And opened up the doors
Help me if you can
I'm feeling down
And I do appreciate you being round
Help me get my feet back on the ground
Won't you please, please help me
(Now) And now my life has changed
In (oh) so many ways
(My independence) My independence seems to vanish
In the haze
(But) But every now and then I $\ (2)$ so self assured
