Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ wings of white-flamed
(2)_____ in my brain
These ideas of (3)_____ percolate the mind
Trickle (4)_____ the spine
Swarm the belly, (5)_____ to a blaze
That's (6)_____ the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What (7)_____ she think of me?
That I'm not what I ought to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If (8)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I just (9)_____ to feel everything
I (10)_____ want to feel everything
I just want to feel everything
So I'm gonna try to be (11)_____ now
Gonna (12)_____ the (13)_____ a
(14)_____ (15)_____ and
If we had a double (16)_____ size bed
We could move in it and I'd soon forget
If (17)_____ I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast just bust open
My heart's (18)_____ of (19)_____ of all that's
around me
And that's why the devil just can't get around me
Every single night's alright
Every single night's a fight
And every single fight's alright (20)_____ my brain
I (21)_____ want to (22)_____ everything
I just (23)_____ to feel everything
I just want to feel everything
I just (24)_____ to feel everything
