Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of (2)_____ wings of white-flamed butterflies in my
brain
These (3)_____ of (4)_____
(5)_____ the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the (6)_____ comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (7)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is (8)_____ I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a meal for us both to choke on

Every single night's a fight (9)_____ my brain
I (10)_____ (11)_____ to feel everything
I (12)_____ want to (13)_____ everything
I just (14)_____ to feel everything
So I'm gonna try to be still now
Gonna renounce the (15)_____ a (16)_____
while and
If we had a double king (17)_____ bed
We (18)_____ move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And (19)_____ I'd relax, let my breast just bust open
My heart's made of parts of all that's (20)_____ me
And that's why the devil just can't get around me
Every single night's alright
Every (21)_____ night's a fight
And every single fight's alright with my brain
I (22)_____ want to feel everything
I just want to (23)_____ everything
I (24)_____ want to (25)_____ everything
I just want to feel everything
