Fill in the gaps

...

Everybody's got their problems
Everybody says the same things to you
It's just a matter how you (1)_____ them
And knowing how to change the things
You've been through
I feel I've (2)_____ to realize
How (3)_____ life can be compromised
Step back to see what's going on
I can't believe this happened to you
This happened to you
It's just a problem that I'm faced with am I
Not the only one who hates to stand by
Complications that are (4)_____ in this line
With all these (5)_____ running through my
mind
Knowing endless consequences
I (6)_____ so (7)_____ in this
Get back, step back, and as for me
I can't believe
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly

I don't feel so insecure
Anymore
Everybody's got their problems
Everybody says the same things to you
It's (8)_____ a matter how you solve them
But (9)_____ else are we supposed to do
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Anymore
Why do things that matter the most
Never end up being what we chose
Now that I find no way so bad
I don't think I knew what I had
Why do things that matter the most
Never end up being what we chose
Now that I find no way so bad
I don't think I knew what I had
