

Fat Lip by Sum 41

Fill in the gaps

...
Storming through the party
Like my name was El Niño
When I'm hanging out drinking
In the back of an El Camino
As a kid
Was a skid
And no one knew me by name
Trashed my own house party
'Cause nobody came
I know I'm not the one
You thought you knew (1)_____ in high school
Never going, never (2)_____ up when we had to
Attention that we crave, don't tell us to behave
I'm (3)_____ of always hearing "act your age"
I don't wanna waste my time
Become another (4)_____ of society
I'll never fall in line
Become another victim of your conformity
And back down
Because you don't
Know us at all
We laugh when old people fall
But what (5)_____ you expect
With a conscience so small?
Heavy (6)_____ and mullets
It's how we were raised
Maiden and Priest
Were the gods that we praised
'Cause we like having fun
At other people's expense and
Cutting people down is just a minor offense then
It's none of your concern
I guess I'll never learn
I'm sick of being told to wait my turn
I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another victim of your conformity

And back down
Don't count on me
To let you know when
Don't count on me
I'll do it again
Don't count on me
It's the point you're missing
Don't count on me
'Cause I'm not listening
Well I'm a
No good (7)_____ lower middle class brat
(Backpacked)
And I don't give
About nothing
You be (8)_____ on the corner
Talking all that kuffuffin
Well you don't make sense
From all the gas you
'Cause if the egg don't stain
You'll be ringing off the hook
You're on the hit list
Wanted in the telephone book
I like songs with distortion
To drink in proportion
The dentist said my mom
Should've had an abortion
...
I don't wanna waste my time
Become another casualty of society
I'll never fall in line
Become another (9)_____ of your conformity
And back down
(Waste my time with them) (10)_____ of
society
(Waste my time with them)
Victim of your conformity
And back down
...

Answer

1. back
2. showing
3. sick
4. casualty
5. would
6. metal
