

Fill in the gaps

Free Loop (One Night Stand) by Daniel Powter

I'm a little used to calling outside your name	We can do a one night (13) (yeah)
I won't see you tonight so I can keep from going insane	And it's hard for me to lose in my life
But I don't know enough	I've (14) outside (15) skin right near
I get (1) kinda lazy day (hey, yeah)	the fire
I've been fabulous through to fight my town a name	That we can baby
I'll be (2) tomorrow	We can change and feel alright
If I don't leave as them both the same	'Cause it's hard for me to lose
But I don't know enough	In my life I've (16) only time will tell
I get some kinda lazy day (hey, yeah)	I will figure out that we can baby
'Cause it's (3) for me to lose	We can do a one night stand (yeah)
In my (4) I've found (5) time will tell	And it's (17) for me to lose in my life
And I will figure out that we can baby	I've found outside (18) (19) right
We can do a one night stand (yeah)	(20) the fire
And it's hard for me to (6) in my life	That we can baby
I've found outside your (7) (8)	We can change and feel alright
(9) the fire	'Cause it's (21) for me to lose
That we can baby	In my life I've found only (22) (23) tell
We can change and feel alright	And I will figure out that we can baby
I'm a little used to wandering outside the rain	We can do a one night (24) (yeah)
You can leave me tomorrow if it suits you just the same	(And it's (25) for me to lose in my life)
But I don't know enough	(I've found outside (26) skin right (27)
I need someone who leaves the day (hey yeah)	the fire)
'Cause it's (10) for me to lose	(That we can baby)
In my (11) I've found only time will tell	(We can (28) and feel alright)
And I (12) figure out that we can baby
