

## Fill in the gaps

Every (1) you raise your voice	The (10) way we'll feel better
I see the (2) grass	The (11) way out is through
Every time you run for cover	Ultimately
I see this pasture	We could just walk away and
Every time we're in a funk	Hide our heads in the sand
I picture a different choice	We could just (12) it quits
Anytime we're in a rut	Only to (13) all over again
This distant grandeur	With somebody else
My (3) to want to do away	Every time we're stuck in struggle
Feels natural and	I'm down for the count (14) day
My urgency to dream of softer places	Every time I dream of quick fix
Feels understandable	I'm assuaged
The (4) way out is through	Now I know it's (15) when it's through
The faster we're in the better	And I'm damned if I don't know quick fix way
The only way out is through	But (16) mistreat me silence now
Ultimately	outdated
The only way out is through	My tendency to want to run (17) unnatural now
The only way we'll feel better	The urgency to want to (18) to you
The only way out is through	I don't want most feels good
Ultimately	The only way out is through
Every (5) I'm confused	The faster we're in the better
I think there must be easier ways	The only way out is through
Every (6) our horns are locked	Ultimately
I'm towel throwing	The only way out is through
Every (7) we're at a loss	The only way we'll feel better
We've bolted from difficulty	The only way out is through
Anytime we're in stalemate of final bowing	Ultimately
My tendency to (8) to hide away	The only way out is through
Feels easier and	The faster we're in the better
The immediacy is picturing another place	The only way out is through
Comforting to go	Ultimately
The only way out is through	The only way out is through
The faster we're in the better	The only way we'll get better
The only way out is through	The only way out is through
Ultimately	Ultimately
The (9) way out is through
