I've Just Seen A Face by The Beatles

I've just seen a face,
I can't forget the time or place
That we'd just met, she's (1) the girl for me
And I want all the world to see we've met
Mmm, mmm, mmm mmm mmm
Had it been another day
I (2) have looked the (3) way
But I had never been aware
And as it is I dream of her tonight
La, di, di, da di di
Falling, yes I am falling
And she keeps calling me back again
I have never known
The (4) of this, I've been alone
The (4) of this, I've been alone
The (4) of this, I've been alone And I (5) (6) things and (7) out of sight
The (4) of this, I've been alone And I (5) (6) things and (7) out of sight But other (8) were never quite like this
The (4) of this, I've been alone And I (5) (6) things and (7) out of sight But other (8) were never quite like this Mmm, mmm, mmm, mmm mmm
