

Fill in the gaps

Fine by Whitney Houston

It's Fine

Fine, fine, fine, fine, fine

It's alright

Had a (1)_____ last night

That the world stopped turning

But your madness, it kept on

Guess I wasn't too bright

And I really wasn't learning

Should have seen it all along

All those sweet (sweet), sweet kisses (yeah)

And (2)_____ sweet (sweet) red roses (yeah)

They convinced me that it was you

I made you (you) exclusive (yeah)

Now it's so (now it's (3)_____ that) conclusive

That you wasn't doing it too

If you'd told me from the start that you're playing

Around it would have been fine

It would have been fine

Then I would have played too and I guess

I would have had a good time...

If you'd told me from the start (4)_____ you're playing

Around it would have been fine...

Then I (5)_____ have played too and I guess

I would have had a good time...

Something didn't feel right

And I wish I knew it

I just could not see your games...

I got respect for you

And you put me through it

Fill in the gaps

Why would you bring me so much pain

I would stil love for you, 'cause I did adore you

While my (6)_____ would (7)_____ you out

Tried to be so nice on those lonely nights

(On those lonely, lonely, lonely nights)

But I should have (8)_____ you out

If you'd told me from the start (9)_____ you're playing

Around it would have been fine

It would have been fine

Then I would have (10)_____ too and I guess

I would have had a good time

I would (11)_____ had a good time

If you'd told me from the start that you're playing

Around it (12)_____ have been fine

It would have been you baby

Then I would have played too and I guess

I would have had a good time

Baby (13)_____ so fine

(Your love was (17)_____ (18)_____ up above)

(You're fine, fine, fine, fine, fine, fine, fine, fine, fine, fine)

(So doggone fine)

If you'd told me from the (19)_____ (20)_____ you're playing

Around it (21)_____ have been fine

If you told me

Then I would have played too and I guess

I would have had a good time

Feel good time, feel good time

Feel good time, feel (22)_____ time

If you'd told me from the start that you're playing

Around it would have been fine

Had a real good time, boy now

Then I (23)_____ have played too and I guess

I would have had a good time

I guess I would have had a good time

If you'd told me from the start that you're playing

Around it would have been fine
