Careful by Paramore

I settled down

A twisted up (1)_____ disguised as a smile, well

You would've never known

I had it all, but not what I wanted

'Cause hope for me

Was a place uncharted and overgrown

You'd make your way in

I'd resist you just like this you can't tell me to feel

The truth never set me free so I did it myself

You can't be too (2)_____ anymore

When all (3)_____ is waiting for you

Won't come any closer

You've got to reach out a little more

More, more, more, more

Open your eyes like I opened mine

It's (4)_____ the real world

A life you will never know

Shifting your weight to throw off the pain

Well, you can ignore it, but only for so long

You look like I did

You resist me just like this you can't tell me to heal

And it hurts remembering how it felt to shut down

Can't be too careful anymore

When all that is waiting for you

Won't come any closer

You've got to reach out a little more

More, more, more, more

The (5)_____ never set me free

The (6)_____ never set me free

The truth (7)_____ set me free so I'll do it myself

You can't be too careful anymore

When all that is (8)_____ for you

Won't come any closer

You've got to reach out

Can't be too (9)_____ anymore

When all that is waiting for you

Won't (10)_____ any closer

You've got to reach out more

More, more, more, more!
