I tried to heal your broken heart

With all that I could

Will you stay?

How do I live without the ones I love?

Time still turns the pages of the book it's burned

Place and time always on my mind

I have so much to say but you're so far away

Plans of what our futures hold

Foolish (5)_____ of growing old

It seems we're so invincible

The truth is so cold

A final song, a last request

A perfect chapter laid to rest

Now and then I try to find a place in my mind

Where you can stay

You can stay (6)_____ forever

How do I live without the ones I love?

Time still turns the pages of the book it's burned

Place and time always on my mind

I have so (7)_____ to say but you're so far away

Sleep tight, I'm not afraid

The ones that we (8)_____ are here with me

Lay away a place for me

'Cause as soon as I'm done I'll be on my way

To live eternally

How do I live without the ones I love?

Time still turns the pages of the book it's burned

Place and (9)_____ always on my mind

And the light you left remains but it's so hard to stay

When I have so (10)_____ to say and you're so far away

I love you

You were ready

The pain is strong and urges rise

Your pain is gone, your hands are tied

So far away

And I need you to know

So far away

And I need you to need you to know
