Lady in red (I hardly know)	
Is dancing with me I (23) know	
Cheek to cheek This beauty by my side	
There's nobody here Yeah	
Just you and me I'll never forget	
It's where I wanna be The way you look tonight	
I (11) know I will never forget	
This (12) by my side The way you (24) tonight	
I'll (13) forget Lady in red	
The way you look tonight Lady in red	
I've never (14) you look so gorgeous Lady in red	
As you did tonight My lady in red	
I've (15) (16) you shine so bright	
You were amazing	
I've (17) (18) so many people	
Want to be there by your side
