

And after all the blood that you still owe

Fill in the gaps

I Don't Love You by My Chemical Romance

Well when you go	Another (9) was just another blow
So (1) (2) I'll make you try to stay,	So fix your eyes and get up
And maybe when you get back,	Baby, get up
I'll be off,	While you can
To (3) (4) way	When you go
When (5) all (6) time that you still	And would you even turn to say
owe	I don't love you like I did yesterday
You're still a good-for-nothing I don't know,	Well come on, come on
So take your (7) and get out,	When you go
Baby get out	Would you have the guts to say
While you can	I don't love you like I loved you yesterday
When you go	I don't love you
And would you even turn to say,	Like I loved you
I don't love you like I did yesterday	Yesterday
Sometimes I cry so hard from pleading	I don't love you
So sick and tired of all the needless beating,	Like I loved you
But baby when they knock you down and out	Yesterday
Is where you (8) stay
