

Fill in the gaps

Almost Over You by Sheena Easton

I saw an old friend of ours today
She (1)_____ about you
I didn't quite know (2)_____ to say
Heard you've been making the rounds round here
While I've been trying to make tears disappear
Now I'm almost over you
I've almost shook these blues
So (3)_____ you come back around
After painting the town
You'll see I'm almost over you
You're such a sly one with your cold cold heart
Maybe (4)_____ came easy
But it tore me apart
Time heals all wounds they say
And I (5)_____ know
Cause it seems like forever but I'm letting you go
Now I'm almost over you
I've almost shook these blues

So when you come back around
After painting the town
You'll see I'm almost over you
I can forgive you and soon I'll forget
All those shattered dreams
Although you left me with nothing to show
For the misery
Now I'm (6)_____ over you
I've (7)_____ shook these blues
So when you come back around
After painting the town
You'll see I'm (8)_____ (9)_____ you
When you come back around
After painting the town
You'll see I'm almost over you
