

Fill in the gaps

Waiting For The End by Linkin Park

This is not the end
This is not the beginning
Just a voice like a riot rocking every revision
But you listen to the tone and the violent rhythm
Though the words (1)_____ steady
Something's empty within them
We say yeah
With fists flying up in the air
Like we're holding onto something that's invisible there
Cause we're (2)_____ at the (3)_____ of the
(4)_____ and the fear
Until we (5)_____ it, forget it, let it all disappear
Waiting for the end to come
Wishing I had strength to stand
This is not what I had planned
It's out of my control
Flying at the speed of light
Thoughts (6)_____ spinning in my head
So many things were (7)_____ unsaid
It's hard to let you go
I know what it takes to move on
I know how it feels to lie
All I (8)_____ to do
Is (9)_____ this life for (10)_____
new
Holding on to what I haven't got
Sitting in an empty room
Trying to forget the past
This was (11)_____ meant to last
I (12)_____ it wasn't so

I know what it takes to move on
I know how it feels to lie
All I want to do
Is trade this life for something new
Holding on to (13)_____ I haven't got
What was left when that (14)_____ was gone
I thought it felt (15)_____ but that right was wrong
All caught up in the eye of the storm
And trying to figure out what it's (16)_____ moving on
And I don't even know what (17)_____ of things I said
My mouth kept (18)_____ and my (19)_____ went dead
So I'm (20)_____ up the pieces, now where to begin
The hardest part of ending is (21)_____ again
All I (22)_____ to do
Is (23)_____ this life for something new
Holding on to what I haven't got...
This is not the end, this is not the beginning
Just a voice like a riot rocking (24)_____ revision
But you listen to the tone and the violent rhythm
Though the words sound steady
Something's empty within them
We say yeah with fists flying up in the air
Like we're holding (25)_____ something that's invisible there
Cause we're living at the mercy of the (26)_____ and the fear
Until we dead it, forget it let it all disappear

Fill in the gaps
