

Fill in the gaps

Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were walking closer to me
I would play you a song out loud
Yeah, we could (1)_____ it 'till the year runs out
I (2)_____ streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
We were holding future in hand
A place to fly and a (3)_____ to land
Now our (4)_____ will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a (5)_____ tonight

Said our December (6)_____ be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you (7)_____ to me
(Yeah) I see you walking to me
I remember streets (8)_____ white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered (9)_____ light
And I see you walking to me
I see you walking to me

Fill in the gaps

Answer

1. sing
