

The only thing I know

## Fill in the gaps

Tonight I got you where I want you Closer I can tell you anything You're the song that I sing Tonight Let the music (9) us over We'll fall into forever, all is right Cause I got you where I want you Tonight, tonight The whole world could fall away But you and I No we won't be afraid Tonight I got you where I want you Closer I can tell you anything Tonight Let the music take us over We'll (10) into forever, all is right
Closer I can tell you anything You're the song that I sing Tonight Let the music (9) us over We'll fall into forever, all is right Cause I got you where I want you Tonight, tonight The whole world could fall away But you and I No we won't be afraid Tonight I got you where I want you Closer I can tell you anything Tonight Let the music take us over
