

## Fill in the gaps

So long ago, I don't remember when	(Hey) Come on try a little
That's when they say I lost my only friend	Nothing is forever
Well they said she died easy of a broken heart disease	There's got to be somethi
As I listened through the cemetery trees	In the middle
I seen the sun comin' up at the funeral at dawn	But me and Cinderella
The long broken arm of human law	We put it all together
Now it always seemed such a waste	We can drive it home
She always had a (1) face	With one headlight
So I wondered how she (2) around (3)	Well this place is old
place	It feels just like a beat up
(Hey) Come on try a little	I turn the engine, but the
Nothing is forever	Well it smells of cheap wi
There's got to be something better than	This place is (7)
In the middle	Sometimes I think I'd like
But me and Cinderella	I'm so alone, and I feel jus
We put it all together	Man, I ain't changed, but
We can drive it home	But somewhere here in be
With one headlight	Dreams think her death it
She said it's cold	(Hey, hey, hey) (9)
It feels like Independence Day	Nothing is forever
And I can't break away from this parade	There's got to be somethi
But there's got to be an opening	In the middle
Somewhere here in front of me	But me and Cinderella
Through this maze of (4) and greed	We put it all together
And I seen the sun up ahead	We can drive it home
At the (5) line bridge	With one headlight
Sayin' all there's good and nothingness is dead	
We'll run until she's out of breath	
She ran (6) there's nothin' left	
She hit the end it's just her window ledge	

Nothing is forever	
There's got to be something better than	
In the middle	
But me and Cinderella	
We put it all together	
We can drive it home	
With one headlight	
Well this place is old	
It feels just like a beat up truck	
I turn the engine, but the engine doesn't turn	
Well it smells of cheap wine and cigarettes	
This place is (7) such a mess	
Sometimes I think I'd like to watch it burn	
Sometimes I think I'd like to watch it burn	
Sometimes I think I'd like to watch it burn  I'm so alone, and I feel just like (8) else	
I'm so alone, and I feel just like (8) else	
I'm so alone, and I feel just like (8) else Man, I ain't changed, but I know I ain't the same	
I'm so alone, and I feel just like (8) else Man, I ain't changed, but I know I ain't the same But somewhere here in between the city walls of dyin'	
I'm so alone, and I feel just like (8) else Man, I ain't changed, but I know I ain't the same But somewhere here in between the city walls of dyin' Dreams think her death it must be killin' me	
I'm so alone, and I feel just like (8) else Man, I ain't changed, but I know I ain't the same But somewhere here in between the city walls of dyin' Dreams think her death it must be killin' me (Hey, hey, hey) (9) on try a little
