

## Fill in the gaps

is there something I don't know?
Are there secrets you won't show?
Even after all this time
You cheat on me
Pretend (1) fine
You know I can't stand you anymore
Every single moment I was there for you
All you ever did was be untrue
(Oops) You're gone
Just play your (2) with (3)
else
I'm done
With you and your lies
You're so wrong
To make me cry
This is the last goodbye
(Oops) You're gone
Just play your games with someone else
I'm done
With you and your lies
You're so wrong
To make me cry
This is the last goodbye
