Led astray by the northern chaos gods

Calm before the sun we came from the north

Horses roamed in the open landscapes

The (1)_____ (2)_____ to their kings

Only he who battle wins

The scald sang to their kings

Let the battle we fought to be won

Tremble with fear for the (3)_____ of our kings

War now calls (4)_____ to the battle

Hear our (5)_____ clinging in the wind

Men cast (6)_____ their (7)_____ horses roar and scream

Descendants of wrath and the (8)_____ of fear

The (9)_____ we possess burn like fire

The will remain in our northern hearts

More scalps to be won an eye for an eye

Aeons ago the legends tell we rode onward

Led (10)_____ by the northern chaos gods

One by one by the northern tribe you fall

One by one

Die by the strongest of them all

Still theres only greatness sunged to those who fell

Who battled strong to win these wars
