

## Fill in the gaps

Aeons ago the legends tell we rode onward	
Led astray by the northern chaos gods	
Calm before the sun we came from the north	
Horses roamed in the (1) landscapes	
The scald sang to their kings	
Only he who battle wins	
The scald sang to their kings	
Let the battle we fought to be won	
Tremble with fear for the banner of our kings	
War now (2) heed to the battle	
Hear our swords clinging in the wind	
Men cast (3) (4) saddles (5)	roar and scream
Descendants of wrath and the kingdoms of fear	
The might we possess burn (6) fire	
The will (7) in our northern hearts	
More scalps to be won an eye for an eye	
A consideration learneds tell we rede enword	
Aeons ago the legends tell we rode onward	
Led astray by the northern (8) gods	
Led astray by the northern (8) gods	
Led astray by the northern (8) gods  One by one by the (9) tribe you fall	
Led astray by the northern (8) gods  One by one by the (9) tribe you fall  One by one	
Led astray by the northern (8) gods  One by one by the (9) tribe you fall  One by one  Die by the strongest of (10) all	
Led astray by the northern (8) gods  One by one by the (9) tribe you fall  One by one  Die by the strongest of (10) all  Still theres only greatness sunged to those who fell
