## Nothing To Fear by Chris Rea

## Fill in the gaps

I feel your heat in dusty whispers
The wind is cold around your moon
It's getting hard to (1) our distance
I (2) your (3) is coming soon
Don't point your dream on my horizon
Don't take your rose too far from home
Please don't forget we're not each other
Each soul has black thorns of his own
I see you dancing
Your (4) is clear
You've got to show me, got to show me
There's nothing to fear
Nothing to fear
