</em>Doctor, doctor, could you please (1)\_\_\_\_\_

Then you've had all your fun

It's (8)\_\_\_\_\_ to be a man

So you better quit (9)\_\_\_\_\_ bitc\*ing

Think (10)\_\_\_\_\_ what the people would say

It's not on me, it's all on you

I can't (11)\_\_\_\_\_ what you want me to

You (12)\_\_\_\_\_ (13)\_\_\_\_\_ sleep, you better leave

He walked over me, all (14)\_\_\_\_\_ me

Wait until tomorrow, and it's gone

So long

Wait until tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need someone to love

-And all he's got well it's all that he needs-

(15)\_\_\_\_\_ help me because

I could hear the (16)\_\_\_\_\_ in the tube

To get me through anything

I do and anything (17)\_\_\_\_\_ do good by me

A little pill, a little thrill

Should I take it? I think I will

And anything (18)\_\_\_\_\_ do good so

As long as it's always too good

Either way I don't give a d\*mn

What you (19)\_\_\_\_\_ all say

All now boy

It's not on me, it's all on you

I can't (20)\_\_\_\_\_ the (21)\_\_\_\_\_ I do

I can't believe her pretty feet

Walked (22)\_\_\_\_\_ me, all over me

It's not on me, it's all on you

There (23)\_\_\_\_\_ a (24)\_\_\_\_\_ to speak the truth

So you can see me when I leave

(25)\_\_\_\_\_ (26)\_\_\_\_\_ you, all over you yeah
