

## Fill in the gaps

### American Rejects by The All

<em>-So... tell me (1)\_\_\_\_\_ your mother- (en algunas versiones)</em>

</em>Doctor, doctor, could you (2)\_\_\_\_\_ just give me something

For the state I'm in?

I'm having (3)\_\_\_\_\_ and society believe

I got it wrong again

I'm one month sober

I don't (4)\_\_\_\_\_ I'm getting over my predicament

But if I jumped out of the window (5)\_\_\_\_\_

(6)\_\_\_\_\_ she say?

It's not on me, it's all on you

We can't deny the things we do

I can't believe her pretty (7)\_\_\_\_\_

(8)\_\_\_\_\_ over me, all over me

Help me, (9)\_\_\_\_\_ me doctor

It seems to be an awful lot for me to understand

I know I'm not a specimen

The troubles and the mess I'm in

I should be dead

He said, let's all think

Then you've had all your fun

It's time to be a man

So you better quit your bitc\*ing

Think about what the people would say

It's not on me, it's all on you

I can't (10)\_\_\_\_\_ what you (11)\_\_\_\_\_

me to

You need (12)\_\_\_\_\_ sleep, you better leave

He walked over me, all over me

Wait until tomorrow, and it's gone

So long

Wait (13)\_\_\_\_\_ tomorrow, so long

And it's gone

Wait until tomorrow

You beg and steal and borrow till it's gone

-He don't got a lot but he's got all he needs-

I need (14)\_\_\_\_\_ to love

-And all he's got well it's all (15)\_\_\_\_\_ he needs-

Somebody help me because

I could (16)\_\_\_\_\_ the (17)\_\_\_\_\_ in the tube

To get me (18)\_\_\_\_\_ anything

I do and anything will do good by me

A little pill, a little thrill

Should I take it? I think I will

And anything will do good so

As (19)\_\_\_\_\_ as it's always too good

Either way I don't give a d\*mn

What you people all say

All now boy

It's not on me, it's all on you

I can't deny the things I do

I can't believe her pretty feet

Walked over me, all over me

It's not on me, it's all on you

There (20)\_\_\_\_\_ a time to speak the truth

So you can see me (21)\_\_\_\_\_ I leave

Walk over you, all (22)\_\_\_\_\_ you yeah

Answer

1. about
2. please
3. trouble
4. think
5. what
6. would
