### American Rejects by The All

<em>-So... tell me about (1)\_\_\_\_\_ mother- (en algunas versiones)</em>  
</em>Doctor, doctor, could you please (2)\_\_\_\_\_ give me something  
For the state I'm in?  
I'm having trouble and society believe  
I got it (3)\_\_\_\_\_ again  
I'm one (4)\_\_\_\_\_ sober  
I don't think I'm (5)\_\_\_\_\_ over my predicament  
But if I jumped out of the window what would she say?  
It's not on me, it's all on you  
We can't deny the things we do  
I can't believe her (6)\_\_\_\_\_ (7)\_\_\_\_\_  
Walked over me, all over me  
Help me, (8)\_\_\_\_\_ me doctor  
It (9)\_\_\_\_\_ to be an awful lot for me to understand  
I know I'm not a specimen  
The troubles and the mess I'm in  
I (10)\_\_\_\_\_ be dead  
He said, let's all think  
Then you've had all your fun  
It's time to be a man  
So you better (11)\_\_\_\_\_ your bitc\*ing  
(12)\_\_\_\_\_ about what the (13)\_\_\_\_\_ would say  
It's not on me, it's all on you  
I can't prescribe (14)\_\_\_\_\_ you (15)\_\_\_\_\_ me to  
You need some sleep, you better leave  
He walked (16)\_\_\_\_\_ me, all over me  
(17)\_\_\_\_\_ until tomorrow, and it's gone  
So long

Wait until tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and steal and borrow till it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all that he needs-  
Somebody (18)\_\_\_\_\_ me because  
I (19)\_\_\_\_\_ hear the voices in the tube  
To get me through anything  
I do and anything (20)\_\_\_\_\_ do good by me  
A little pill, a little thrill  
(21)\_\_\_\_\_ I take it? I think I will  
And (22)\_\_\_\_\_ (23)\_\_\_\_\_ do good so  
As long as it's always too good  
(24)\_\_\_\_\_ way I don't give a d\*mn  
What you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the things I do  
I can't believe her pretty feet  
Walked over me, all over me  
It's not on me, it's all on you  
There comes a time to speak the truth  
So you can see me (25)\_\_\_\_\_ I leave
