

## Fill in the gaps

| I keep writing (1)                    |          | (2)            | ruts           |  |
|---------------------------------------|----------|----------------|----------------|--|
| It's all around us                    |          |                |                |  |
| Get naked and get into bed right away |          |                |                |  |
| I keep writing myself into ruts       |          |                |                |  |
| Make it all seem so r                 | nuch lon | ger            |                |  |
| But soon, you'll be far away          |          |                |                |  |
| Just keep (3)                         | lo       | nely hands i   | າ your pockets |  |
| And fold away all your best clothes   |          |                |                |  |
| I'm only (4)                          | hap      | py if I know   |                |  |
| She loves me so                       |          |                |                |  |
| She loves me so                       |          |                |                |  |
| She (5)                               | me so    |                |                |  |
| She loves me so                       |          |                |                |  |
| I keep (6)                            |          | myself into ru | uts            |  |
| It's all around us                    |          |                |                |  |

Get naked and get in my arms

| Fast as you ca                      | an, fast as you can   |              |  |  |
|-------------------------------------|-----------------------|--------------|--|--|
| I keep writing                      | myself into ruts      |              |  |  |
| Make it all see                     | em so (7)             | harder       |  |  |
| But soon, you'll be far (8)far awa  |                       |              |  |  |
| (9)                                 | your lonely eyes to   | yourself     |  |  |
| And fold away all your best clothes |                       |              |  |  |
| (10)                                | _ sure all those m* t | f* boys know |  |  |
| She loves me                        | so                    |              |  |  |
| She loves me so                     |                       |              |  |  |
| She loves me so                     |                       |              |  |  |
| She loves me                        | so                    |              |  |  |
| She loves me                        | so                    |              |  |  |
| She loves me                        | so                    |              |  |  |
|                                     |                       |              |  |  |

## 1. myself

- 2. into
- 3. those
