

## Fill in the gaps

### I wish you were here by Avril Lavigne

I can be tough  
I can be strong  
But with you, it's not like that at all  
There's a girl  
that gives a shit  
behind this wall  
You've just walked (1)\_\_\_\_\_ it  
And I remember,  
all those crazy things you said  
You left (2)\_\_\_\_\_ riding through my head  
You're always there, you're everywhere  
But (3)\_\_\_\_\_ now I wish you were here  
All those (4)\_\_\_\_\_ things we did  
Didn't (5)\_\_\_\_\_ about it,  
just we went with it  
You're always there, you're everywhere  
But right now I wish you (6)\_\_\_\_\_ here  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
What I'd do to have you near, near, near  
I wish you were here.  
I love the way you are  
It's who I am, don't have to try hard  
We always say, say like it is  
And the truth is (7)\_\_\_\_\_ I really miss...  
All those crazy things you said  
You left them riding through my head  
You're always there, you're everywhere  
But right now I wish you were here.  
All those crazy things we did

Didn't think about it,  
just we went with it  
You're always there, you're everywhere  
But right now I wish you were here  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
What I'd do to have you near, near, near  
I (8)\_\_\_\_\_ you were here.  
No, I don't wanna let go  
I just wanna let you know  
That I never wanna let go  
No, I don't wanna let go  
I just wanna let you know  
That I never wanna let go  
let go...  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here -I wish you were...-  
Damn, Damn, Damn  
What I'd do to have you near, near, near  
I wish you were here.  
Damn, Damn, Damn,  
What I'd do to have you here, here, here  
I wish you were here.  
Damn, Damn, Damn  
(9)\_\_\_\_\_ I'd do to have you near, near, near  
I wish you were here.

Answer

1. through
2. them
3. right
4. crazy
5. think
6. were
7. that
8. wish
9. What
