Is There Something by Christopher Cross

Lately I see clouds of sorrow in your eyes
Some deep sadness you can never quite disguise
Now I'm scared to ask what it's leading to
But I'm more afraid of not asking you
Is there something that you want to tell me
Is there something that I ought to know
Are we something that's still worth fighting for
Or should I simply let you go
Is there something I can do to reach you
Are we something more than history
I'll find some way to convince you to stay
If you just tell me honestly
Is there something left of you and me
You've got secrets you've been keeping for too long
And I'm going crazy acting like there's nothing wrong
I can taste the (1)_____ every time we kiss

And I can't go on
At (2)_____ not like this
I don't want to (3)_____ you
But what's the use of holding on
I don't (4)_____ (5)_____ you
If the feeling's gone
Is there something I can do to reach you
Are we something more than history
If there's no way to convince you to stay
And be the way we used to be
Then there's something that I want to tell you
And I want you to believe it's true
We had (6)_____ that I'll (7)_____ forget
Even if I wanted to
'Cause (8)_____ of me will always be with you
