Shelter by Birdy

Fill in the gaps

I find shelter, in (1) way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have said
Something that was wrong
Can I make it better
With the lights turned on?
(2) I have said
Something that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It (3) so crystal in the air
It (3) so crystal in the air I (4) (5) to drown whenever you leave
