## Shelter by Birdy

## Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have (1)
Something that was wrong
Can I make it better
With the lights turned on?
(2) I have said
(3) that was wrong
Can I make it better
With the (4) turned on?
Can I be? Was I there?
It falt as amostal in the air
It felt so crystal in the air
I still (5) to drown (6) you leave
I still (5) to drown (6) you leave
I still (5) to drown (6) you leave  Please teach me gently how to breathe
I still (5) to drown (6) you leave  Please teach me gently how to breathe  And I'll cross oceans like never before
I still (5) to drown (6) you leave  Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too
I still (5) to drown (6) you leave  Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you
I still (5) to drown (6) you leave  Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too
I still (5) to drown (6) you leave  Please teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you  So you can see the way I feel it too  Maybe I have said
