## Shelter by Birdy

## Fill in the gaps

I find shelter, in this way
Under cover, hide away
Can you hear when I say
I have never felt this way?
Maybe I have said
(1) that was wrong
Can I make it (2)
With the lights turned on?
Maybe I have said
(3) that was wrong
Can I make it better
With the lights turned on?
Can I be? Was I there?
It felt so crystal in the air
I still want to drown whenever you leave
I still want to drown whenever you leave  (4) teach me gently how to breathe

(4) teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too
(4) teach me gently how to breathe  And I'll cross oceans like never before  So you can feel the way I feel it too  And I'll sing images back at you
