

Fill in the gaps

Time after time by Cindy Lauper

Lying in my bed I hear the clock tick
And think of you
Caught up in (1) _____
Confusion is nothing new
Flashback warm (2) _____
Almost left behind
Suitcases of memories
Time after...
Sometimes you picture me
I'm walking too far ahead
You're calling to me
I can't hear what you've said
Then you say go slow
I fall behind
The second hand unwinds
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time
After my picture fades

And darkness has turned to (3) _____
Watching through (4) _____
You're wondering if I'm OK
Secrets stolen from deep inside
The (5) _____ beats out of time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be (6) _____
Time after time
You said go slow
I fall behind
The second hand unwinds
If you're (7) _____ you can look and you will find me
Time after time
If you (8) _____ I will catch you I'll be waiting
Time after time
If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be (9) _____
Time after time
Time after time (bis)
