# Lose Yourself by Eminem

## Fill in the gaps

Look, if you had one shot, or one opportunity
To seize everything you ever wanted in one moment
Would you capture it, or just let it slip? Yo
His palms are sweaty, (1) weak, arms are heavy
There's vomit on his sweater already, mom's spaghetti
He's nervous, but on the surface he looks calm and ready
To drop bombs, but he keeps on forgettin'
What he (2) down, the whole crowd goes so
loud
He opens his mouth, but the words won't come out
He's chokin' how, everybody's chokin' now
The clocks (3) out, time's up, over. Blow!
Snap back to reality, oh, there goes gravity
Oh, (4) goes Rabbit, he choked, he's so mad
But he won't give it up that easy, no, he won't beat it
He knows his whole back's to these ropes, it don't matter, he's
dope
He knows that, but he's broke, he's so stagnant that he knows
When he goes back to his mobile home, that's when it's
Back to the lab again, yo, this (5) rhapsody,
He (6) go capture this moment and
(7) it don't pass him
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This (8) comes once in a lifetime
You better lose yourself in the music, the moment
You own it, you better never let it go
You only get one shot, do not miss your chance to blow
This opportunity comes once in a lifetime
The soul's escaping through this hole that is gaping
This world is mine for the taking, make me king
As we move (9) a new world order
A (10) life is boring, but superstardom's
Close to post-mortem, it only grows harder,
Only grows hotter, he (11) us all over,
These hoes is all on him coast to coast shows,
He's known as the globetrotter lonely roads, god only
Knows he's grown farther from home he's no father,
He goes (12) and barely knows his own daughter
But hold your nose 'cuz (13) goes the
(14) water
These hoes don't want him no mo', he's cold product
They moved on to the next schmoe who flows he nose

Is told and unfolds, I sup	pose it's old partner
But the beat (15)	on da da dum da dum da da

Tear this motherfuckin' roof off (18) 2 dogs
(19)
I was playin' in the beginnin', the mood all changed
I been chewed up and spit out and booed off stage
But I kept rhymin' and stepped right in the next cypher
Best believe somebody's payin' the pied piper
All the (20) (21) amplified by the
Fact that I can't get by with my nine to
Five and I can't provide the (22) type of
Life for my family 'cuz, man, these goddamn
Food stamps don't buy diapers and there's no movie,
There's no mekhi phifer, this is my life,
And these times are so hard and it's getting even harder
Tryin' to feed and water my seed, plus teetertotter
Caught up between bein' a father and a prima
