

Fill in the gaps

Drumming song by Florence + The machine

There's a drumming noise inside my (1) _____
(2) _____ starts when you're around
I swear that you could hear it
It makes such an almighty sound
There's a drumming noise inside my head
That throws me to the ground
I swear that you should hear it
It makes such an almighty sound
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
I ran to a tower (3) _____ the church bells chime
I hoped that they would (4) _____ my mind
They (5) _____ a ringing in my ear
But that drum's still beating (6) _____ and clear
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder
I run to the river and dive straight in
I pray that the water will drown out the din

But as the water fills my mouth
It couldn't wash the echoes out
But as the water fills my mouth
It couldn't wash the echoes out
I swallow the sound and it swallows me whole
Till there's nothing left inside my soul
As empty as (7) _____ beating drum
But the sound has just begun
As I move my feet towards your body
I can hear this beat it fills my head up
And gets louder and louder
It fills my head up and gets louder and louder
There's a drumming noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an almighty sound
There's a (8) _____ noise inside my head
That starts when you're around
I swear that you could hear it
It makes such an almighty sound
(9) _____ than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
Louder than sirens
Louder than bells
Sweeter than heaven
And hotter than hell
As I move my feet towards your body
I can hear this beat it fills my (10) _____ up
And gets louder and louder
It fills my head up and gets louder and louder

Answer
